

## KELLY MCCLURE

100% Family Law

The McClure Law Group is a practice rooted in compassion. The firm's founder, Kelly McClure, is deeply grounded with more than 25 years of experience as a family-law attorney. McClure holds the prestigious Family Law Board Certification with the Texas Board of Legal Specialization, a distinction granted only to those attorneys who meet high standards of education, experience, and a rigorous examination. McClure Law Group's expert team of attorneys and legal professionals work tirelessly to design favorable resolutions for each client's divorce, pre- and post-marital agreements, and custody disputes. McClure Law Group's highest concern is to preserve important family relationships while protecting assets that are too often depleted in high-conflict battles.

McClure began her career in tax law, building a knowledge base in tax codes and requirements. As McClure took on pro bono cases with victims of domestic violence, the rewarding work inspired the transition of her practice to specialize in family law. High-net-worth clients with complex property- and asset-division cases—prominent executives, professional athletes, celebrities, and stay-at-home parents—find McClure's financial acumen an invaluable complement to the firm's decisive and efficient practice style.

McClure is a leading advocate of the Collaborative Law movement, a resolution process that can limit the financial and emotional burdens litigation brings. Clients who choose Collaborative Law benefit from McClure's credentialed expertise and a team of skilled professionals who apply interest-based negotiation to efficiently restructure family relationships and negotiate fair property division. When a client feels collaboration is not a viable option, McClure is a force to be reckoned with in the courtroom, armed with leading-edge technology, asset tracing, sophisticated trial strategy, and experience to passionately fight for the client's best outcome.
