FAMILY LAW

Kate Mataya and Spencer Page are award-winning family lawyers at McClure Law Group--an elite family law firm renowned for its unwavering dedication to delivering white-glove service to its clients.

Mataya, partner, has been with McClure Law Group for 10 years. She is known for her compassionate, strategic approach and takes pride in understanding each client's unique needs and goals, whether in complex asset division, child custody disputes, or protective order cases. She became interested in family law at a young age, after her family welcomed a foster child into their home.

"That experience, along with being a CASA volunteer, made me want to learn more about family law," she says. "I am proud to work in a firm with such high standards. We are all very compassionate, and we care about people on a fundamental level, always working as a team on behalf of people we are so passionate to help."

Page, partner, has been with the firm for seven years. He feels honored to make such an impact on people's lives in family law. He has a niche specialty in the firm, handling appeals for clients.

"A lot of family lawyers don't handle appeals," he says. "There is a lot of drama and adrenaline in family law court cases, and I enjoy going to trial for that reason, but I also like putting together the perfect argument behind the scenes in drafting appeals that get good results for our clients."

In addition to Best Lawyers Under 40 honors in *D Magazine*, both Mataya and Spencer have been named Super Lawyers Rising Stars and Best Lawyers: Ones to Watch by BL Rankings.
