MCCLURE LAW GROUP

AGGRESSIVE. SMART. COMPASSIONATE. COUNT on hearing these words repeatedly when peers and clients describe Kelly McClure.

For more than two decades, McClure has channeled her passion for family law into helping couples successfully navigate their way through highly emotional and complex divorces. Clients appreciate her discretion as well as her extensive experience in tax law—a distinct advantage in complex property cases. While McClure is no stranger to litigation, she is an avid proponent and leader of the collaborative law movement, a non-adversarial approach to family law that can minimize the stress and financial burden of divorce. When a client feels collaboration is not a viable option, McClure is a force to be reckoned with in the courtroom. Armed with leading-edge technology, asset tracing techniques, sophisticated trial strategy, and wealth of experience, McClure fights vigorously for the client's best outcome.

McClure holds the prestigious family law board certification with the Texas Board of Legal Specialization. McClure Law Group's expert team of attorneys and legal professionals work tirelessly to design favorable resolutions for each client's divorce, pre- and post-marital agreements, and custody disputes. High-net-worth clients with complex property and asset division cases—prominent executives, professional athletes, celebrities, and stay-at-home parents—find McClure's financial acumen an invaluable complement to the firm's decisive and efficient practice style.

Kelly McClure is passionate about family... and she will fight for yours.
