Francesca Blackard and Kate Mataya are, partners at McClure Law Group, a boutique Dallas family law firm located in Park Cities, that handles a wide range of matters, including prenuptial agreements, postnuptial agreements, child custody disputes, and divorce. They brought their kids to the office and proudly showed them around for the shoot. Francesca's adorable twins, Jack and Ava (3) were so thrilled to see their mama's office (and ride the elevator), and Kate's daughter Sophia (1) was mesmerized by the fish tank. As their kids grow, Francesca and Kate will joyfully expose their children to their lives at work. "People talk so much about what working moms miss out on, but there is so much good that comes from it too. It makes me so happy to know that I am modeling to Sophia how I use my strength and intellect as an advocate," says Kate. As for Francesca, her deep and tireless compassion for others shines through in all aspects of her

life, but it is an extraordinary gift to Jack and Ava that they are exposed to their mom's compassion in full force at work as she fights relentlessly and creatively for her clients. Both of these moms work hard and love it! "I love what I do, but my favorite job is being a mom," said Francesca. It is not easy, but it helps that they are in it together. Just don't ask them how the potty training/ sleep training are going.
